Results, Your Way!

Introducing UNC Health Southeastern's Cash Price Lab Service

Benefits for Patients

Self-Ordering: Patients can self-order specific tests without a provider's order or an appointment.

Immediate Access: Quick access to results via MyChart within 24 hours.

Financial Flexibility: Ideal for uninsured patients or those with high deductibles—pay out of pocket with ease.

Convenience: Available at the Main Laboratory and Drive Thru Express Lab with no prior appointment needed.

Some of the most requested tests:

- **Comprehensive Metabolic Panel** \$29 - *Evaluates liver, kidney, and electrolyte balance.*
- **Complete Blood Count without Differential** \$26 - *Measures blood cell counts.*
- **Lipid Panel** \$29 - *Measures the amount of cholesterol and other fats in your blood. Note: Fasting is recommended.*
- **Basic Metabolic Panel** \$29 - *Focuses on kidney and electrolyte health.*
- **Magnesium** \$28 - *To determine the level of magnesium in the blood.*
